

Matheus Lumber - Woodinville

Matheus' Woodinville, WA branch is the largest of the company's five operations, and is also the corporate headquarters. With a staff of 33 people and a fleet of six trucks, including five roll trucks that can get into tight urban building sites in Seattle and Tacoma, the branch can quickly fill and deliver your order. In the Puget Sound area, the Woodinville branch has supplied materials to a number of major current and past projects, including: Safeco Field; Qwest Field; Interstate 5 HOV expansion; Sound Transit's Central Link Light Rail; and Harborview Medical Center. The Woodinville branch also serves customers throughout the western US, including other areas of Washington, Oregon, California, Arizona, Idaho, Utah, Nevada, Hawaii and Alaska. In addition to traditional solid and engineered building products, the Woodinville branch manufactures and supplies floating docks from their Maltby, WA fabrications yard.

Our Products:

Lumber and Timber: All sizes, rough or surfaced, treated and untreated, from dunnage to finish.

Sheathing: Rated plywood and OSB, rough and sanded, siding and paneling, forming and underlayments.

Concrete Forms: All types and grades from BBX-OES to HDO 100/100 for achieving one to one hundred pours.

Engineered Wood Products: All sizes and truss types, including cantilevered, treated and prefabricated.

Species: Douglas fir, Hemlock, Spruce-Pine-Fir, Western Red Cedar, Redwood and some hardwoods.

Fabrication:

Matheus Woodinville branch has specialized in the fabrication of wood members for 25 years. This includes drilling, trimming, and assembly of treated members. The following are examples of available products: tunnel lagging, crane mats, bridge timbers, floats, railroad ties, docks and piers, guard rail posts, form panels, piling, timber trusses, keel blocks, special crates, and truck bed lumber. We can also dap, adze, bore, cant, cut curves, dado and trim when required prior to preservative treatments.

At Matheus Lumber we have a long tradition of providing quality products and outstanding customer service to the North American building industry. For over 75 years, Matheus has offered personalized service from a team of professional wood products technicians who know the business and understand the products available today. As one of the last true lumber wholesalers in the country, our team can answer all of your technical questions, from span specifications and grade rules to species options. The company operates branch offices and supply yards in Woodinville, WA, Vancouver, WA, Ellensburg, WA, Post Falls, ID and San Marcos, TX.
